

ZOE MARITIME RESOURCES LIMITED- **CORPORATE PROFILE**

ABOUT US

ZMR is a Company established in Nigeria in 2013 and registered at the Corporate Affairs Commission with registration number (RC 1026974). We provide efficient services to our clients at the local, regional, and international levels.

We serve the needs of our clients by giving advice and facilitating the processing of relevant compliance documentation for maritime transactions.

We develop human capacity through training workshops, seminars, master classes, conferences and Business to Business [B2B] meetings

Our combination of intellectual rigour and commercial insight has helped us to play an important and increasing role in a wide range of sectors spanning ,consultancy, human capacity development, procurement, risk management , maritime transportation and offshore operations.

We are innovative and bring to bear on our work, the latest technology and the sharpest minds to deliver ground-breaking solutions to our clients

Our geographical scope, range of expertise and experience provide a platform for our customers to benefit from our international network of intellectual and corporate know how.

Our reputation as a high quality maritime training and capacity building service is one for which we are proud. Our success is built on the satisfaction of our clients, and we aim to remain at the forefront of our business by continuous improvement.

OUR SERVICES

Marine Consultancy: We offer personalized consultancy and management solutions, tailored specifically to the needs of maritime business and individual attention to detail.
